Cat in the Hat, 40 people, not a bad turn out for putting it together at the last minute

Summer League, 12 teams Tuesday, 10 Wednesday and 8 Thursday. Should we push Tuesday to be more competitive, Wednesday less so? We could start to accomplish this by putting the cap on club players at different levels

YUC directors, Liz and Steve again, all nighter will happen again, Sycamore fields for games again although last year we did get some complaint about filed damage. Steve feels that YUC's damage is minimal and that lacrosse and football are to blame as well, Should the coaches clinic be in November to recruit new people and give them a head start on starting things up? We may have some home and home games this year

At Sycamore they have intramurals in the fall, different organizations are encouraged to field a team, band, soccer team, etc.

We should start a middle school league, fall? spring?

Next year's summer league could add a competitive Monday night, bring your own team, or if draft, if you don't get picked, you don't play, sprint games?

Nick will check to see if we need to file taxes
